## Greetings SAS/AC Alumni!

### Alumni Spotlight

#### Rachel Bertone '03

Congratulations to Rachel Bertone '03 on recently being appointed the Artistic Director of the Reagle Music Theatre in Waltham!

The Alumni office recently caught up with Rachel to congratulate her and she offered these thoughts on her time at AC:

"Jacquie Billings (Ms. Hogan to me at the time) has been a big supporter of mine throughout the years and I was honored to be the first-ever inductee of ACHS's Arts Hall of Fame in 2016 (chosen for artistic contributions to the Boston theater and dance scene). All of my teachers at ACHS were incredibly supportive of me being involved in the arts. Balancing all of my AP and Honors classes with my rigorous dance schedule taught me discipline and focus. I developed my leadership skills, public speaking skills, and strong sense of work ethic while at ACHS too."

### Campus Happenings

#### Celebrating Black History Month

Throughout February, our students will honor the achievements, contributions, and sacrifices of African Americans who have helped shape the nation. Thank you to our Student Diversity Council for their powerful presentation Monday to our entire school. Student leaders shared how race has impacted

their experience at AC and what is needed in our community now. Student reflections followed and then a three minute free write session. On notecards students shared their thoughts to a few questions: What moved you or struck you as important? Why is watching and listening to these students meaningful to you as an individual and/or as a member of the AC community? Some of these thoughts will be anonymously shared during morning prayer.
